

Premium Hole Cutting Tool for Magnetic Drills

Features

- Made from high-quality tool steel for superior durability.
- High tungsten content enhances abrasion resistance.
- Versatile tool suitable for various applications.
- Enables overlapping cuts on pre-existing holes.
- Performs effectively on curved surfaces.
- Retains sharpness for extended use.
- Produces clean, burr-free holes.

Overview

The LaserBest Annular Cutter is the ultimate solution for fast, efficient, and precise hole cutting. Designed to save time and energy, it creates larger diameter holes with ease, leaving a clean slug at the center. Built for versatility, they handle materials like structural steel, cast iron, carbon steel, and high-tensile steel with reliable performance in industries such as transportation, oil and gas, construction, and metal fabrication. LaserBest delivers precision and durability you can count on.

Application

Avoid Overheating by using LaserBest Cutting Fluid and running the drill at slow speed

Available Sizes:

All Individual cutters include a Pilot Pin. Additional Pilot Pins can be purchased separately

| Part # | Size | Part # | Size |
|--------|--------|--------|-----------|
| 1631 | 7/16" | 1641 | 1-1/16" |
| 1632 | 1/2" | 1642 | 1-1/8" |
| 1633 | 9/16" | 1644 | 1-1/4" |
| 1634 | 5/8" | 1648 | 1-1/2" |
| 1635 | 11/16" | 1663 | Pilot Pin |
| 1636 | 3/4" | | |
| 1637 | 13/16" | | |
| 1638 | 7/8" | | |
| 1639 | 15/16" | | |
| 1640 | 1" | | |

Larger sizes from 1-3/16" through 2-3/8" in increments of 1/16", are available upon request.
